

TORONTO ESTONIAN SUPPLEMENTARY SCHOOLS – DONATION FORM

The Estonian Supplementary Schools in Toronto were established over 60 years ago, as a community youth organization dedicated to the preservation and advancement of the Estonian language and culture. Our students range from age seven to seventeen and participate in six elementary grades, three high school grades, a finishing high school year and immersion classes for all ages up to adults.

It is a nonprofit organization, which supports itself (self-managing) on the cooperative principle with direct support from the parents of the children. Our qualified teachers, while not fully volunteers, receive payment significantly below market rate for their services and our parents donate many volunteer hours to support the school.

We have steadily raised fees over the past years. Even so, we must rely on donations to cover the day-to-day operating costs of the school. We do not want to raise fees to the point where they will become unaffordable to many of our families.

If you are able to, please support the Supplementary Schools through a tax deductible donation, by filling out the form below and forwarding it, together with a cheque (payable to: National Estonian Foundation of Canada) to our Principals, Liisa Soots (elementary Tuesday evenings) or Silvi Verder (high school Monday evenings) or Piret Komi and Tiia Remmelkoor (adult classes Tuesday evenings).

Thank you for your generous donation.
